EDUCATION

1989

Degree in Economics (Laurea in Economia e Commercio), Università di Venezia – Ca' Foscari (110/110 cum laude). Thesis: “La teoria dell’equilibrio economico generale stazionario da Cassel a von Neumann”, Supervisor Professor Franco Donzelli.

1993

PhD in Economics, Università di Bologna, Modena, Padova and Venezia. Thesis: “Il disequilibrio nella teoria dell’equilibrio economico generale”, Supervisor Professor Alfredo Medio.

1994-1996

In the Academic Year 1994-95: *Visiting Fellow* at the Department of Economic, Harvard University. In the Academic Year 1995-96: *Visiting Scholar* at the same Department.

PRESENT ACADEMIC POSITIONS

Associate Professor of Economics, Dipartimento di Scienze Economiche e Statistiche, Università degli Studi di Udine.

Director of the bachelor program (Laurea triennale) in Economia e Commercio and of the master program (Laurea magistrale) in Economics/Scienze Economiche (double degree with the University of Graz).

TEACHING

Microeconomics, Dipartimento di Scienze Economiche e Statistiche, Università degli Studi di Udine.

Industrial Organization (LM in Economics-Scienze economiche), Dipartimento di Scienze Economiche e Statistiche, Università degli Studi di Udine.

RESEARCH ACTIVITIES

Member of the Editorial Board of *Theoretical Economics Letters*.

Member of the Scientific Committee of the *CEPET* (*Central European Program in Economic Theory*). She collaborates in the organization of the annual Workshop of the Center, held in Udine.

Member of the Scientific Committee of the Research Project for the Workshops on “Strategic interaction and general equilibrium” (at the VII edition), Université Paris Ouest Nanterre La Défense e CNRS.

Referee for *Journal of Economic Theory*, *Games and Economic Behavior*, *Scandinavian Journal of Economics*, *Theoretical Economics Letters*, *Research in Economics*, *Louvain Economic Review*.
