

Tax Graduate Programme EarlyCareer@KPMG

INVEST YOUR TALENT WITH KPMG'S TAX GRADUATE PROGRAM

In today's world, interdisciplinarity is the key to a successful career. With KPMG's **job rotation**-based tax graduate programme, you will benefit from a unique and immersive experience at **KPMG Studio Associato**. You will participate in an **18-month work and training programme** to **support your professional practice**, designed to maximise your talent and boost your career.

In **February 2024** you will start a 6-month curricular internship with early professional practice and continue for another 12 months with a freelance position.
