EXECUTIVE MASTER IN

Business Administration
EMBA
ed. Milan

1st Level
The expertise of Assolombarda Servizi and Confindustria Udine combined with the scientific excellence of the University of Udine have produced this Executive MBA. It presents a program that develops professional profiles and enables them to face the current competitive scenario through the development of a solid managerial culture. During the lessons, and through Company testimonials, EMBA participants will acquire an integrated and strategic vision of business management and develop effective managerial skills thanks to innovative organizational tools. The Executive MBA aims at fostering the competitiveness of the organizations to which the participants belong and stimulating the exchange between cultural and professional experiences of different kinds. EMBA is a specialized course of absolute excellence that makes use of collaborations with prestigious Universities in Italy and abroad. Its renowned professors have been selected in Italy and abroad for their high profile. Lessons will be taught in Italian or English (with a translation) online and at Westin Palace or Assolombarda Servizi in Milan. The type of attendance envisaged (part-time structure with about one weekend per month) allows one to combine the academic commitment with an established professional path, typical of executive users. Thanks to public and private contributions, this Executive MBA combines high quality with a fair cost profile.
