

"Information to be provided where personal data are collected from the data subject" (Art. 13 GDPR)

We wish to inform you that, pursuant to art. 13 of the EU Regulation 679/2016 (General Data Protection Regulation), you qualify as a "data subject" with reference to the personal data that the University of Udine, head offices in via Palladio 8, 33100 Udine (UD), has obtained as Data Controller with regard to the activity of organising conferences, seminars, workshops, meetings, exhibitions and public events.

Your data will be processed according to the following criteria:

Article 5 Reg. (EU) 679/2016, Principles relating to processing of personal data

1. Personal data shall be:

- (a) processed lawfully, fairly and in a transparent manner in relation to the data subject ('lawfulness, fairness and transparency');
- (b) collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall, in accordance with Article 89(1), not be considered to be incompatible with the initial purposes ('purpose limitation');
- (c) adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed ('data minimisation');
- (d) accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay ('accuracy');
- (e) kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with Article 89 (1) subject to implementation of the appropriate technical and organisational measures required by this Regulation in order to safeguard the rights and freedoms of the data subject ('storage limitation');
- (f) processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures ('integrity and confidentiality').

2. The controller shall be responsible for, and be able to demonstrate compliance with, paragraph 1 ('accountability').

Personal data shall be processed according to the following principles:

1) INFORMATION PROVIDED AT THE TIME WHEN PERSONAL DATA ARE OBTAINED (art. 13 §. 1 GDPR)

a) The Controller
