PROJECT MANAGEMENT FOR STARTUPS

This workshop provides a practical introduction to project management tailored specifically for startups. Participants will learn how to plan, execute, and monitor projects in fast-paced and resource-constrained environments.

Ideal for early-stage teams and aspiring entrepreneurs, the session covers essential tools and strategies to prioritize tasks, manage risks, and optimize team collaboration.

Speaker

Cinzia Battistella, University of Udine

The workshop will be held in english, in-person (Biblioteca Scientifica e Tecnologica Uniud – Sala Eventi), via F. Schiavi 44, UDINE and on-line (Microsoft Teams).
