HR EXCELLENCE IN RESEARCH
CARTA EUROPEA DEI RICERCATORI

IN QUESTO NUMERO:

- *FIGHT KIDS CANCER - Call for innovative treatments to improve survival and quality of life*
- *EU4HEALTH 2021-2027 - Call for proposal*
- *JPI URBAN EUROPE - "Positive Energy District and Neighbourhoods for Climate Neutrality"*
- *INNOVATION FUND - Innovation Fund Large Scale Projects InnovFund-LSC-2021*
- *MARIE SKŁODOWSKA-CURIE ACTIONS STAFF EXCHANGES - Info session*

BANDI E OPPORTUNITA'

FIGHTS KIDS CANCER - Call for innovative treatments to improve survival and quality of life

This call will offer up to a total of 4 million euros to support the best clinical and translational research projects that accelerate therapeutic innovation for children and adolescents with cancer.

This call will cover the following non-exclusive objectives:

1. To realise real impact on young patients: Improve their survival rate and reduce toxicity to restore young patients to full health after treatment
2. To advance cutting-edge science to further the knowledge of paediatric malignancies.
3. To support improved interdisciplinary knowledge, methods and collaborations for tackling the issues of today.
4. To strengthen collaboration and the development of scientific capacity across Europe.

Deadline for the pre-proposal: **30/11/2021**, h 16:00 (CET)

Deadline for the full proposal: **01/04/2022**, h 16:00 (CET)

<https://www.esf.org/funding-programmes/fight-kids-cancer-2021-2022-call-for-proposals/>

**EU4HEALTH 2021-2027 - Call for proposal**

13 action grants of the second wave under the EU4Health programme's AWP 2021 have been published. The 13 topics are numbered PJ-06 to PJ-18 and range from health data, healthy lifestyles, infections, mental health, cancer, genomics and more. The total budget amounts to EUR 43.85 million.

- Action grants for the Computer-aided Drug Repurposing for Cancer Therapy Project
- Action grants to support the implementation of best practices in community-based services for the human immunodeficiency virus (HIV) infection and acquired immunodeficiency syndrome (AIDS), tuberculosis, viral hepatitis and sexually transmitted infections
- Action grants to support implementation of best practices on the ground with direct impact on the effort to tackle mental health challenges during COVID-19
- Action grants to organise and collect data to understand the safety, quality and efficacy of therapies applied in the field of assisted reproduction and based on haematopoietic stem cells
- Action grants for 'EU Cancer Treatment Capacity and Capability Mapping' project - Network of Comprehensive Cancer Centres
- Action grants for the initiative 'HealthyLifestyle4All': promotion of healthy lifestyles
- Action grants to create a 'Cancer Survivor Smart Card'
- Action grants for developing a pilot project for an EU infrastructure ecosystem for the secondary use of health data for research, policy-making and regulatory purposes
- Action grants boosting cancer prevention through the use of the European Code against Cancer and other concerted actions

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

- Action grants supporting training activities, implementation, and best practices
- Action grants to reduce liver and gastric cancers caused by infection

Deadline: **25/01/2022**

JPI URBAN EUROPE - "Positive Energy District and Neighbourhoods for Climate Neutrality"

With this call, JPI Urban Europe aims to continue creating a transdisciplinary and cross-sectoral community working in the field of the energy transition in the urban context, aiming for high stakeholder involvement, collaboration and co-production of knowledge.

Topics:

Topic 1: PEDs towards climate neutrality: transforming existing urban neighbourhoods

Topic 2: Making PEDs happen: process innovation and business models

For the Italian beneficiaries the funding entity is the Ministry of University.

200.000 € is this maximum grant can be awarded to each project proposal, even if it includes more than one Italian participant.

Deadline: **24/02/2022**, h 12:00 (CET)

INNOVATION FUND - Innovation Fund Large Scale Projects InnovFund-LSC-2021

The objective of this call are:

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

greenhouse gas emissions;

- offer financial support tailored to market needs and risk profiles of eligible projects, while attracting additional public and private resources.

The following activities can be funded under this call:

- activities that support innovation in low-carbon technologies and processes in sectors listed in Annex I to the EU ETS Directive, including environmentally safe carbon capture and utilisation (CCU) that contributes substantially to mitigating climate change, as well as products substituting carbon intensive ones produced in sectors listed in Annex I to the EU ETS Directive,
- activities that help stimulate the construction and operation of projects that aim at the environmentally safe capture and geological storage of CO₂ (CCS), activities that help stimulate the construction and operation of innovative renewable energy and energy storage technologies.
- activities that help stimulate the construction and operation of innovative renewable energy and energy storage technologies

Deadline: **03/03/2022**
