## **RESEARCH AND WORK EXPERIENCE**

### RELEVANT PROFESSIONAL EXPERIENCES

- From June 6<sup>th</sup> to July 31<sup>st</sup> 2022 I worked for “La Nostra Famiglia” association as a speech and language therapist.
- Since August 1<sup>st</sup>, 2022 I have been working for the Italian NHS in the Neuropsychiatry department as a speech and language therapist.
- In May 2023 I taught “Processi Decisionali in Medicina” (10 hours) at the Speech and Language Therapy bachelor course at Università degli Studi di Trieste.
- In May 2023 I held a course about typical language development for kindergarten teachers and parents at “Nido e Scuola d'Infanzia San Giovanni Bosco ” of Sacile (2 hours).
- The “3° Congresso nazionale della FNO TSRM e PSTRP” approved the abstract of my Master thesis and it was showed at the poster session.
- In December 2023 I held a course about bilingualism for educators at Associazione L’Arcobaleno ONLUS of Porcia (3 hours).

### RELEVANT RESEARCH EXPERIENCES (IN ITALY AND ABROAD)

- From March 28<sup>th</sup> to May 2<sup>nd</sup> 2022, I was visiting research assistant at Strathclyde University under the supervision of prof. Anja Lowit. I am still collaborating with them; we are spreading around Anglo-Saxon countries two questionnaires, one about the impact of communication problems on Parkinson’s disease and the other in progressive motor conditions.
- From July 5<sup>th</sup> to 8<sup>th</sup> 2021, I attended 10th IMPRS NeuroCom Summer School, virtual event. I was part of a little team composed of PhD students and we worked some hours together to develop a research project.
- From April 2021 to February 2022 I conducted clinical research under the supervision of dr. Alice Cancer (Università Cattolica del Sacro Cuore) and prof. Alessandra Gorini (Università degli Studi di Milano) in order to complete the two experimental studies that are part of my Master thesis.

## **COMPUTER SKILLS**

### 6.1 Scientific software applications

Name	Advanced	Intermediate	Basic
SPSS	<input type="checkbox"/>		x
Jamovi	<input type="checkbox"/>	x	<input type="checkbox"/>

## 6.2 Operating systems

Name	Advanced	Intermediate	Basic
Windows	x	<input type="checkbox"/>	<input type="checkbox"/>

### **OTHER SKILLS**

Relevant skills not already mentioned.

At Strathclyde work included:

- To design a study
- Prospective literature review of clinical trials
- To develop, monitor and evaluate responses to the questionnaire on Qualtrics
- To draft introduction and methodology for a journal article

Tele-rehabilitation training for the experiments of the Master thesis included:

- To search patients to include in the study
- To conduct the intensive training
- To test, monitor and retest patients
- To keep track of clinical data
- To analyze data
- To draft introduction and methodology for a journal article
